1. Each spring you are invited to nominate candidates for the Agency's Public Service Awards Program. It is requested that you study the purpose and criteria of the awards listed above and nominate qualified employees who deserve recognition for their accomplishments. A pamphlet, describing each award in detail with a list of the latest winners, is attached to assist you in your selections.

2. You may submit more than one name for an award. Please send me your list of nominations on or before 17 May 1972. This Office will then compile a list of all nominations submitted and forward it to the Director for final decision. Actions will be based on your submissions at this time and the Director's approval of nominations. If any of your nominees are approved by the Director, your assistance in developing the nominating documents will be requested when the appropriate announcement is received.

3. Based on last year's request, the Agency submitted nominations for the Career Service Award, the Federal Paperwork Management Award, the Federal Woman's Award, and the William A.
